RFID & Barcode

Wristbands and Keyfobs

For all types of access systems solution. Custom made to suit your brand.

As we provide tags and fobs from all industries we are able to offer a cost effective solution to your requirements.

If you do not know what RFID or type of barcode you use, we can test and ensure you receive fobs which are guaranteed to work on your access system, but at the most cost-effective price.

RF DATA SYSTEMS develop, manufacture, integrate and install high quality RFID solutions
